School District Elections

School District elections are non-partisan, governed by the general election laws of the State, and include the election of School Board members, various public policy propositions, and advisory questions. School Board members are elected at the consolidated election held on the first Tuesday in April in odd-numbered years. If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. The canvass of votes is conducted by the election authority within 21 days after the election.

The School Board's election duties are:

1. The Board, by proper resolution, may place public policy propositions on the ballot.
2. The Board President, Secretary, and the member with the longest continuous service, whose nominating petition is not being challenged, compose the Education Officers Electoral Board to hear and rule on objections to candidate nominating petitions and voter petitions.
3. The Board Secretary or clerk serves as the local election official, assisted by designated representatives appointed by the Board.

Exhibit - Checklist for Filling Board Vacancies by Appointment

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs Vacancies on the Board of Education*, published by a committee of the Illinois Council of School Attorneys, and available at: www.iasb.com/law/ICSAFAQsonBoardVacancies.pdf.

- Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.

- Notify the Regional Superintendent of the vacancy within 5 days of its occurrence (105 ILCS 5/10-10).**

- Develop list of qualifications for appointment of a person to fill vacancy.**

Guidelines	Explanation
<p>At a minimum, the Board uses election qualifications, that is, a candidate must meet the following:</p> <ul style="list-style-type: none"> • Be a United States citizen. • Be at least 18 years of age. • Be a resident of Illinois and the District for at least one year immediately preceding the appointment. • Be a registered voter. • Not be a child sex offender. • Not hold another incompatible public office. • Not have a prohibited interest in any contract with the District. • Not be a school trustee. • Not hold certain types of prohibited State or federal 	<p>While <u>The School Code</u> does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB’s <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/elections/recruiting.pdf.</p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs, Conflict of Interest and Incompatible Offices</i>, published by the Ill. Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and School Board members:

1. No employee shall intentionally perform any “political activity” during any “compensated time,” as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member’s or employee’s duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in activities that: (1) are otherwise appropriate as part of his or her official duties, or (2) are undertaken by the individual on a voluntary basis that are not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with any Board member or employee shall intentionally solicit or accept any “gift” from any “prohibited source,” as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fund-raising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.
6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-

law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.

7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.
8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered" means food or refreshments that are purchased ready to consume which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee by an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code.

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Superintendent or Board President shall, after consulting with the Board attorney, either place the

alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. School Board

Exhibit - Guidance for Board Member Communications, Including Email Use

The School Board is authorized to discuss District business only at a properly noticed Board meeting (Open Meetings Act, 5 ILCS 120/1 *et seq.*). Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a "do not reply/forward" alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a "do not reply/forward" alert when emailing a message concerning **District** business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not reply to or forward email received from another Board member.

When Must Email Be Retained?

Email, including attachments, that were "prepared, or having been or being used, received, possessed, or under the control of any public body," may be, depending on the content, subject to disclosure as a public record (Freedom of Information Act, 5 ILCS 140/2). Most email sent or received by individual Board members do not satisfy this definition of "public record" even when the content concerns District business. This is because individual Board members generally have no authority other than during a properly called Board meeting. However, there may be exceptions. Accordingly, Board members must be able to distinguish between official record and non-record messages.

Non-Record Messages

Email messages are “non-record messages” when individual Board members are acting in their individual capacities. This may occur, for example, when an individual Board member’s email describes his or her personal opinions concerning the District or is a response to a community member. **Warning:** these “personal opinions” or “responses” may constitute an illegal Board meeting under the Open Meetings Act if a majority or more of a quorum of the Board discusses District business using email. See the first section of this *Guidance*.

Other examples of non-record messages include:

1. Information from the Superintendent concerning meeting dates, agenda topics, or materials to prepare for or be discussed during a meeting.
2. Personal correspondence, such as, “Do you want to ride with me to the IASB workshop?”
3. Publications or promotional material from vendors, the IASB, or publicly available materials.
4. Correspondence from parents, staff, or community members.

Non-record messages are not “public records” under the Freedom of Information Act and do not need to be stored.

Official Record Messages

Email messages are “public records” under the Freedom of Information Act (FOIA) when they are “prepared, used, received, or possessed by, or under the control of” the District. Email that qualifies under FOIA as a “public record” will need to be stored only if it is evidence of the District’s organization, function, policies, procedures, or activities or contains informational data appropriate for preservation (Local Records Act, 50 ILCS 205/1 *et seq.*). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. A Board member must copy this type of email, herein called “official record messages,” to the appropriate District office where it will be stored on the Board member’s behalf. The District will delete these official record messages as provided in an applicable, approved retention schedule.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney’s direction. In federal lawsuits there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*.

Committees

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student discipline policy and procedure. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

Board Attorney

The School Board may enter into an agreement for legal services with a specific attorney or law firm. The Board Attorney serves on a retainer or other fee arrangement as determined in advance. The Board Attorney will provide services as described in the agreement for legal services. The District will only pay for legal services that are provided in accordance with the agreement for legal services or are otherwise authorized by this policy or a majority of the Board.

The Superintendent, his or her designee, or Board President, are authorized to confer with and/or seek the legal advice of the Board Attorney. The Board may authorize a specific member to confer with legal counsel on its behalf.

The Superintendent may authorize the Board Attorney to represent the District in any legal matter until the Board has an opportunity to consider the matter.

The School Board retains the right to consult with or employ other attorneys and to terminate the service of any attorney.

This shall include mailing meeting notifications to news media that have officially requested them and to others as approved by the Board. Unless otherwise specified, all meetings are held in the District's main office. Board policy 2:220, *School Board Meeting Procedure*, governs meeting quorum requirements.

12. The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member. 5 ILCS 120/2(c)(12).

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within 3 months of the vote.

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is

required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the President or by any 3 members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

No matters will be discussed, considered, or brought before the Board at any special meeting other than such matters as were included in the stated purpose of the meeting.

Emergency Meetings

Public notice of emergency meetings shall be given as soon as practical, but in any event, before the meeting to news media that have filed a written request for notice.

School Board Meeting Procedure

Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. Items not specifically on the agenda may still be discussed during the meeting; no action will be taken on such items.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;

6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or

Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Exhibit - Board Treatment of Closed Meeting Verbatim Records and Minutes

The following procedures govern the verbatim audio recordings and minutes of School Board meetings that are closed to the public.

Actor	Action
<p><i>Before any Board meeting:</i> Superintendent or designee</p>	<p>Arranges to have an audio recording device with extra recording tapes and a back-up audio recording device in the Board meeting room during every Board meeting regardless of whether a closed meeting is scheduled.</p> <p>The Board may close a portion of a public meeting without prior notice; it cannot, however, have a closed meeting unless it can record the session.</p>
<p><i>Before a closed meeting:</i> Board President or presiding officer</p>	<p>On the closed meeting date: (1) convenes an open meeting, (2) requests a motion to adjourn into closed meeting making sure the reason for the meeting is identified in the motion, (3) takes a roll call vote, (4) asks that the minutes record the vote of each member present and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting (5 ILCS 120/2a), and (5) adjourns the open meeting.</p>
<p><i>Before a closed meeting:</i> Superintendent or Board Secretary</p>	<p>Immediately before a closed meeting, tests and activates the audio recording device.</p>
<p><i>During a closed meeting:</i> Board President or presiding officer</p>	<p>Convenes the closed meeting stating:</p> <p>Seeing a quorum of the Board of Education gathered today, ___ date, at ___ o'clock, at ___ location, for the purpose of holding a closed meeting in order to confidentially discuss ___, I call the meeting to order. In order to record who is present, I request that each individual state his or her name and position with the District.</p> <p>Limits discussion to the topics that were included in the motion to go into a closed meeting.</p> <p>The failure to immediately call a person out-of-order who strays from the purposes included in the motion may result in an appearance of acquiescence. This responsibility to call a person out-of-order falls on each Board member in the event of the President's failure.</p> <p>Once the closed meeting is finished, announces a return to an open meeting or adjournment, and states the time.</p>

Actor	Action
<p><i>After a closed meeting:</i> Superintendent or Board Secretary</p>	<p>Takes possession of the audio recording of the closed meeting and labels it with identification information, specifically the date and items discussed.</p> <p>Adds the identification information contained on the audio recording's label to a cumulative list of closed meeting recordings.</p> <p>As soon as possible, puts the recording of the closed meeting in the previously identified secure location for storing recordings of closed meetings.</p> <p>Prepares written closed meeting minutes that include:</p> <ul style="list-style-type: none"> • The date, time, and place of the closed meeting • The Board members present and absent • A summary of discussion on all matters proposed or discussed • The time the closed meeting was adjourned
<p><i>After a closed meeting:</i> School Board</p>	<p>Approves the previous closed meeting minutes at the next open meeting.</p>
<p><i>In preparation for the semi-annual review:</i> Superintendent or designee</p>	<p>Prepares a recommendation concerning the continued need for confidential treatment of closed meeting minutes; includes this recommendation in the packet for the meeting in which the Board will conduct its semi-annual review.</p> <p>This step is in preparation of the Board's meeting to decide whether the need for confidential treatment of specific closed meeting minutes continues to exist.</p> <p>If the Board wants to discuss closed meeting minutes in closed session, places "review of unreleased closed meeting minutes" on a closed meeting agenda.</p> <p>Places "result of Board's review of unreleased closed meeting minutes" as an item on a subsequent open meeting agenda.</p>
<p><i>In preparation for the semi-annual review:</i> Individual Board members</p>	<p>Before the meeting in which the Board will conduct its semi-annual review, examines the material supplied by the Superintendent.</p> <p>Individual Board members should consider: (1) the Superintendent's recommendation, (2) the recommendation of the Board Attorney, (3) other Board members' opinions, (4) the minutes themselves, and/or (5) whether the minutes would be exempted from public disclosure under the Illinois Freedom of Information Act.</p>
<p><i>During the semi-annual review:</i> School Board</p>	<p>The Board decides in open session whether: (1) the need for confidentiality still exists as to all or part of closed meeting minutes, or (2) the minutes or portions thereof no longer require confidential treatment and are available for public inspection.</p> <p>The Board may have an earlier meeting in closed session to discuss the continued need for confidential treatment.</p>

Actor	Action
<i>After the semi-annual review:</i> Superintendent or designee	Re-labels and re-files closed meeting minutes as appropriate.
<i>Monthly:</i> Board President	Adds “destruction of closed meeting audio recording” as an agenda item to an upcoming open meeting.
<i>Monthly:</i> School Board	Approves the destruction of particular closed meeting recording(s) that are at least 18 months old and for which approved minutes of the closed meeting already exist.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a School Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board’s discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *School Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals’ names who speak during the meeting’s public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Public Participation at School Board Meetings and Petitions to the Board

At each regular and special open meeting, members of the public and District employees may comment to or ask questions of the School Board, subject to reasonable constraints.

The individuals appearing before the Board are expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, comments shall be limited to 5 minutes. In unusual circumstances, and when an individual has made a request in advance to speak for a longer period of time, the individual may be allowed to speak for more than 5 minutes.
3. Observe the Board President's decision to shorten public comment to conserve time and give the maximum number of individuals an opportunity to speak.
4. Observe the Board President's decision to determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy, 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

Board Policy Development

The School Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Superintendent Implementation

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

Notwithstanding the above, the Freedom of Information Officer shall respond to requests for *commercial purposes* and to *recurrent requesters* (as those terms are defined in Section 2 of FOIA) according to Sections 3.1 and 3.2 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Copying Fees

Persons making a request for copies of public records must pay any applicable copying fee. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No copying fee shall be charged for the first 50 pages of black and white, letter or legal sized copies. No copying fee shall be charged for electronic copies other than the actual cost of the recording medium.

Fees for Responding to a Request for a Commercial Purpose

In addition to copying fees, persons making a request for a *commercial purpose*, as defined in FOIA, must pay a fee of \$10 for each hour spent by personnel in searching for and retrieving the record. However, no fees shall be charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. The District also charges the actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage facility under contract with the District. Whenever the District charges any fees to a requester making a commercial request, the Freedom of Information Officer shall provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records.

Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

Administrative Procedure - Protocols for Record Preservation and Development of Retention Schedules

Actor	Action
All Staff and Board Members	<p>No district record, as defined in the Illinois Local Records Act, shall be destroyed except as provided herein.</p> <p>“<i>Public record</i> means any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connection with the transaction of public business and preserved or appropriate for preservation by such agency or officer, or any successor thereof, as evidence of the organization, function, policies, decisions, procedures, or other activities thereof, or because of the informational data contained therein.” 50 ILCS 205/3.</p> <p>Do not destroy any District record, no matter its form, if it is subject to a litigation hold.</p> <p>In federal lawsuits there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding to not destroy any electronic records that might be relevant. The receipt of a <i>litigation hold</i> or preservation letter from the Board’s attorney requires all potentially relevant electronic information to be identified, located, and preserved. This includes all e-mail, e-documents, the tapes and servers of discarded systems, and backup data stored elsewhere.</p>
Superintendent	<p>Assign the following activities to the Records Custodian and Head of Information Technology (IT):</p> <ol style="list-style-type: none"> 1. Develop and maintain a protocol for preserving and categorizing District records; 2. Develop and maintain a record retention and destruction schedule; and 3. Develop protocols to implement a litigation hold.
Records Custodian and Head of IT	<ol style="list-style-type: none"> 1. Develop and maintain a protocol for preserving and categorizing District records. <p>Develop and maintain a list of all District records organized in categories and sub-categories, e.g., records relating to business,</p>

Actor	Action
	<p>students, personnel, board meetings, etc. Align this list with the list District records required by the Freedom of Information Act. 5 ILCS 140/5.</p> <p>Paper records may be easier to locate than electronic records. Electronic records will potentially exist in all of the available servers, tapes, hard drives, computers, and similar types of electronic devices (e.g., laptops, Blackberrys, cell phones, Palm Pilots, voicemail, etc.).</p> <p>Provide for keeping only “records” and destroying non-records. Avoid filing non-record material with records. Determine what is a non-record, e.g., identical copies of documents maintained in the same file; extra copies of printed or processed materials (official copies of which are retained by the office); blank forms; and personal communications.</p> <p>The goal is to control excessive accumulation of material. Non-record material may be destroyed at any time. 50 ILCS 205/9.</p> <p>Absent a litigation hold, email must be retained only when it contains: (1) evidence of the District’s organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. Email that is conversational, personal, or contains brainstorming may generally be deleted.</p> <p>A consistent email retention policy for use across the District ensures that the necessary emails are being retained and emails that are not required to be preserved are purged on a regular basis.</p> <p>Identify and index the location of each category and sub-category of District records. Organize electronic record and data storage.</p> <p>The goal is to ensure that all documents, including electronically created ones, are retained for the required timeframes and are easy to retrieve and produce if necessary.</p> <p>2. Develop and maintain a record retention schedule for submission to the Superintendent and eventually to the Local Records Commission.</p> <p>Prepare a list of public records that: (1) are not needed for current business, and (2) do not have sufficient administrative, legal, or fiscal value to warrant their further preservation. Stated differently, identify records that have no administrative, legal, or fiscal value.</p> <p>Records that have no administrative, legal, or fiscal value may be destroyed according to provisions in the Local Records Act. 50 ILCS 205/1 <u>et seq.</u></p> <p>Prepare a schedule for record destruction by identifying the length of</p>

Actor	Action
	<p>time a record category or series warrants retention after it has been received or produced by the District.</p> <p>The ultimate goal is to obtain permission to destroy unnecessary public records. The Local Records Commission must approve the destruction of any public record. 50 ILCS 205/7, 44 Ill.Admin.Code Part 4000 (Local Records Commission for agencies comprising counties of less than 3,000,000 inhabitants); 44 Ill.Admin.Code Part 4500 (Local Records Commission of Cook County). See the Archives Department on the Secretary of State’s website.</p> <p>A list can be used when applying for authority to destroy records. A schedule can be used when applying for continuing authority to destroy records after specified periods of time or the occurrence of specified events.</p> <p><u>The School Code</u> and other statutes (e.g., statutes of limitations) contain mandatory retention timelines. The Board’s attorney should be consulted.</p> <p>The e-discovery rules provide a safe harbor for parties during a lawsuit that cannot provide information because it was destroyed as a result of routine practices.</p> <p>Determine whether each sub-category of documents should be reproduced by photography, microphotographic processes, or digitized electronic format.</p> <p>If a record is reproduced in accordance with standards published by the Local Records Commission, the original may be destroyed. The reproduction’s destruction must be according to the approved record retention schedule.</p> <p>3. Develop protocols to implement a litigation hold.</p> <p>Understand what a <i>litigation hold</i> is.</p> <p>A litigation hold refers to the notification made by the Board’s attorney telling the District to preserve all information that may be relevant to current or anticipated litigation. While it may occur anytime in the legal process, it will usually occur during discovery, the pretrial phase of a lawsuit designed to compel the exchange of information between parties. A litigation hold triggers the need to immediately suspend destruction of electronic and other records relevant to the current or potential claim.</p> <p>Specify how to implement a litigation hold, i.e.:</p> <ul style="list-style-type: none"> • Who can trigger a litigation hold? • How is a litigation hold communicated? • Who should gather the records?

	<ul style="list-style-type: none"> • What records are subject to a litigation hold and who determines this? • In what format should records be gathered? • Where should records be gathered? <p>Identify how to implement a litigation hold for all IT systems, including backup tapes, to ensure they are not deleted or overwritten as part of the normal tape rotation process.</p> <p>Prepare a map of potentially relevant data and otherwise assist the Board's attorneys in locating all potentially relevant information.</p>
Superintendent	<p>Submit new or revised record retention and destruction lists and schedules to the Local Records Commission for approval.</p> <p>Disseminate the record retention and destruction schedule, along with instructions, to all affected staff members and School Board members.</p> <p>Immediately inform the Records Custodian and Head of IT whenever a record must be preserved because: (1) it may be relevant to present or future litigation, or (2) the Board attorney has notified the District to preserve a record, including electronic information (<i>litigation hold</i>).</p>

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the Complainant is a student under 18 years of age, the

Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as to the Complaint Manager.

Within 10 school business days after receiving the Superintendent's decision, the Complainant may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

School Board

Administrative Procedure - Guidelines for Investigating Complaints and Allegations of Misconduct

As a general rule, all complaints should be investigated, even when the complainant requests that nothing be done or is anonymous.

Step 1: Before the Investigation

- A. School employees must immediately report a suspicion of child abuse or neglect to the Illinois Department of Child and Family Services in compliance with policy 5:90, *Abused and Neglected Child Reporting*. Reporting is required before proceeding further with the investigation.
- B. According to policy 2:260, *Uniform Grievance Procedure*, the Superintendent appoints at least two District Complaint Managers, one of each gender. A Complaint Manager investigates: (1) complaints filed under policy 2:260, *Uniform Grievance Procedure*, and (2) allegations of employee misconduct.
- C. The appropriate Building Principal or designee investigates all allegations of student misconduct.
- D. Anyone with a complaint or making an allegation of misconduct should be referred to a Complaint Manager of their choosing or a Building Principal without delay.
- E. A Complaint Manager or Building Principal (hereafter referred to as “investigator”) will investigate all complaints or allegations of misconduct, except that, depending on the circumstances, the Superintendent or School Board may appoint a special investigator. Whenever the Superintendent deems necessary an attorney may serve as a special investigator. The investigator should not have any involvement with the complainant or the alleged wrongdoer outside of the investigation. The Superintendent will ensure that investigators have sufficient authority and resources, including access to the School Board Attorney.
- F. The investigator should provide a fair opportunity for both sides to be heard.
- G. The investigator should begin by carefully reading the complaint. Next the investigator should review applicable Board policies, administrative procedures and manuals, laws, regulations, and collective bargaining agreements.
- H. The investigator should develop a plan, including:
 - Witness list
 - Order of interviews
 - Questions for witnesses
 - Physical evidence needed, e.g., records, documents, reports, photos, and letters
- I. The investigator should make logistical arrangements, e.g., determine interview location and the need for photographs and/or a video or audio recording.
- J. If the investigator encounters an issue with legal ramifications outside of his/her understanding, either before or during the investigation, he/she should consult the Board Attorney before proceeding further on that legal issue, as well as any other areas of the investigation it impacts.

Step 2: The Investigation

- A. Typically, interview the complainant first, next the subject of the investigation, and, finally, all witnesses. The following applies to all interviews:
 - If possible, statements should be written, dated, and signed by the person being interviewed. Consider audio or video recording statements.
 - Ask open-ended questions and do not suggest answers to questions.
 - Record important details, essentially who, did what, to whom, when and how done and, if appropriate, why?
 - Be objective and nonjudgmental; do not prejudge an alleged wrongdoer's guilt. Never show outrage or dismay.
 - Ask for the names of any other witnesses.
 - Deal with emotional outbursts and anger by patiently explaining that details are needed for an accurate investigation.
 - If a witness cannot be interviewed, record the reason.
- B. While confidentiality should be maintained, do not make promises of confidentiality or anonymity. Only the Superintendent may promise confidentiality or anonymity.
- C. Keep the Superintendent informed, but do not discuss the investigation with Board members in order to avoid the appearance of prejudice or unfairness.
- D. Obtain copies of all necessary papers. Originals are not needed, but record how to get them.
- E. Collect physical evidence and photographs. Keep a record of when, and where, or from whom physical evidence was gathered.
- F. Document any information about the interview that is, or may become relevant, including the person's demeanor, gestures, accuracy of memory, and overall credibility.
- G. During the investigation, keep the investigation file separate from personnel or student record files. In a subsequent hearing, the opposing side may be able to view the investigation file. Records relating to a public body's adjudication (hearing) of employee grievances or disciplinary cases are exempt from Freedom of Information Act public records requests under 5 ILCS 140/7(1)(n). However, the exemption does not extend to the final outcome of cases in which discipline is imposed.

Step 3: Following the Investigation

- A. Report to the Superintendent or designee the investigation results, that is, the matters investigated, facts, conclusions, and recommendations. Prepare a written report if requested.
 - Answer who, what, when, where, why, and how.
 - Factual findings are based on whether an incident's occurrence is more likely than not. Identify as many factual findings as possible to support a conclusion. In a "he said, she said" scenario, a decision can be based on the credibility of the parties and witnesses. Include in the report any findings that are inconclusive.
 - Make a determination regarding credibility of specific evidence, that is, how believable is it and why by explaining the basis for the determination. Credible evidence is capable of belief by a reasonable person.
- B. Be prepared to testify as to the fairness of the investigation, the authenticity of the evidence, and the contents of the investigation report.
