

K-W-L Reading Strategy

Abe Lincoln, the 16th President was elected from the state of Illinois and was a key figure in Civil War history. Please choose one of the following events from his life that was presented in the textbook and type a completed K-W-L chart as presented and discussed in class.

To insert a table, go to the Word tool bar and choose *insert* from the TABLE drop down menu. You will need three columns and six rows. If you need more rows select *insert rows* from the same TABLE drop down menu. Remember to also footnote what you have learned and written in that column. Even though I have written these points in my own words, they still need to be footnoted because I learned them from reading the textbook. I have created a sample based on John F. Kennedy.

Due date is Friday, December 16th, 2011, a B day.

The topics are

- Chapter 10 Section 4 The Lincoln Douglas Debates
- Chapter 11 Section 2 The Emancipation Proclamation
- Chapter 11 Section 3 The Gettysburg Address
- Chapter 11 Section 4 The Lincoln Assassination
