

Indian Creek Education Foundation

The Indian Creek Education Foundation was founded in 1994 to provide scholarships and supplemental academic resources within the Indian Creek School District. The not-for-profit Foundation relies on the generosity of the Indian Creek community for its financial support. Funding for various academic purposes is allocated on priority basis by a volunteer eleven member Board of Directors broadly representing the geographic area of the school district. Our students are the future work force for business, industry, and the government. In an effort to provide the quality of education necessary for a well-trained work force, we ask your assistance in supporting the Foundation.

The Foundation Board hopes that you will share our enthusiasm and commitment by helping to support excellence in education. Your donation will open the door to a brighter tomorrow.

Thank you for your consideration and support.

Indian Creek Education Foundation,

Board Members

.....

We appreciate your consideration and support. Contribution checks can be made payable to the Indian Creek Education Foundation and send to: P.O. Box 426 Shabbona, IL 60550. Your tax-deductible contributions are the key to our future success.
