Last night the seventh and eighth grade girls basketball teams played two hard fought games against DeKalb Huntley and Amboy. Unfortunately we came out a little short losing 19 to 13 and 18 to 16. The ICMS B team finished third in the A/B tournament. Good effort girls!!

The IC 8th grade A/B girls basketball tournament continues today. All A teams will compete today. Trophies will be awarded following the games. Good luck girls and coach Anderson.

Spring Track practice begins tomorrow Wed., March 10. Lifetouch will be here to take a team picture for the yearbook as well as individual pictures for any track member who would like one. Just bring a completed picture envelope to hand to the photographer when they call for individuals to come up for pictures. Also, members of the Student Council, Yearbook, Scholastic Bowl and D.C. trip will have group pictures taken beginning at 1:45 PM.

We hope everyone is planning on attending the DC group's spaghetti dinner (pause) and the school spring play "Beauty and the Beast" this coming Thursday. The dinner is from 4:30-7:00 PM....the curtain opens for the play at 7:00 PM. You won't want to miss this special evening at ICMS.

8th graders should have received a graduation letter with order form attached. 8th graders will have the opportunity to purchase class t-shirts, class pictures and tassel key chains. The Graduation fee of \$20 is now due as well.

Lunch reminders will be going home with many of you today. By next Monday, if you still over \$5.00 for lunches, you will need to bring a sack lunch until you get caught up with your account.

8th grade boy and girls who are interested in playing golf next fall for Indian Creek High School should consider participating in Cleanup Days at Indian Oaks Country Club during spring break. You are asked to dress appropriately and bring a rake. Dates and times will be given later.
